MONTHLY PARTNERSHIP CAMPAIGN UPDATE

In 2024 we made it our goal to partner people willing to support Kawkawa on a monthly basis. The goal was to get 50 people giving \$50 per month, the equivalent of \$30,000 per year in monthly giving. Thank you so much! We were overwhelmed to have met and exceeded that goal and now our generous matching donor decided to also match beyond what they originally committed to and match every single new donor in 2024!

If you didn't get the chance to join us in 2024 and would still like to become a monthly partner, please email dave@kawkawa.com for information about supporting the camp.

VOLUNTEERS

We are looking for volunteers in the following areas to help with our summer camps program:

- Boat drivers
- Kitchen helpers
- Maintenance / site workers
- People to help with landscaping and gardening

Additionally, we are looking for hosts to support our retreat season.

Email info@kawkawa.com if you are willing and able to help.

PRAYER CORNER

- Pray that God would bring the right staff to Kawkawa this summer
- Pray for our Maintenance Supervisor Dave Van Drunen who has been experiencing some health issues
- Pray that God would provide the right volunteers and support for the summer camp (and the spring retreat) season
- Pray for all the campers who are considering coming to camp this summer

NEWSLETTER CAMP KAWKAWA

Happy New Year friends of Camp Kawkawa!

We trust that as you celebrated the birth of Christ, you were filled afresh with Gods love for you and for the world in which we live.

As we close off 2024 and move into 2025, we are incredibly grateful for the faithful support of you, our friends, to the life, vision and mission of Camp Kawkawa. Thank-you for praying, for supporting camp financially, for volunteering your time, for bringing your kids to camp, and for all your encouragement. It takes a team to make camp what it is year after year!

2024, our 50th year, was a year of remembering and celebrating the past 50 years. We looked back at the beginning of how Kawkawa began and the many ways that God has led the camp over the years to where it is today. We are thankful for the many, many people who have supported Kawkawa in different ways over the years. As we begin 2025 we are looking forward to where the Lord will lead us.

If you were able to join us at the 50th celebration, you would have felt the comradery of being part of something really special. You would have heard the stories of the leadership development that happens in the lives of young people. You would have heard the stories of what God does in the lives of those who enter into the camp experience. When you hear the stories, the God stories, you can't help but be excited for the ministry of Camp Kawkawa.

If you have a heart for camp ministry, we invite you to consider becoming a society member. Our desire is to see membership as not just a name on a list, but an active participant in the life and ministry of Camp Kawkawa. Camp Kawkawa Society cannot function without our membership and so would you consider joining the team?

The membership currently meets once a year at our Annual General Meeting, we have prayer and worship times out at camp where we pray over the camp, we have work bees, and we put together special committees from the membership from time to time to support different things going on at camp.
